

# VIP PROGRAM

November 2023

## VIP program conditions

All clients of the international broker 1BID who have an active trading PRO account with a balance of more than 10,000 USD have the following benefits:

- Personal manager:
  - ✓ dedicated communication channel
  - ✓ feedback within 1 hour
  - ✓ individual trading analytics
- Compensation of commissions for replenishing a trading account
- Processing financial transactions with priority
- Unlimited number of trading orders
- The maximum size of a trading order has been increased to 100 lots
- Instant order execution and no requotes
- Market spreads are 5-10% lower than on an ECN account
- Up to 20% improved swap points

If the PRO account balance drops below 10,000 USD within 30 days, the trading account, while maintaining the trading and balance history, is transferred from PRO group to the ECN group, and at the same time the benefits of the VIP program for the account owner are canceled.

In order to prevent abuse of the conditions provided on the PRO account, the Company reserves the right, without warning, at any time at its sole discretion, to refuse to provide this service.

By opening a PRO account, the Client confirms that he has read and fully agrees with these conditions and undertakes not to submit any claims to the Company under these terms.
